

## **Shipping Policy**

Shipping can take from 5 to 7 business days for domestic orders depending on your location. Back ordered items may take up to 2-3 weeks. You are responsible for shipping cost on returned or warranty items unless we shipped you a wrong item. Any warranty issues for manufacturer defects must be accompanied with a copy of a receipt and will only be processed at our discretion. All items will be shipped within 2 business days of verified payment. US orders may have importing/border fees for packages that we have no control over. Our shipping costs do not include **importing/border fees (Tax)**. These are separate charges that we have nothing to do with.

### **Please take the time to read and understand our policy so that you can understand how we use your personal information.**

Knight Rider Industries will always respect the privacy of our customers, the security of your personal information is important to us. The only information we collect is the information given when an order is placed. At no time will we sell or share that information with any other company.

### **Return Policy:**

You have up to 30 days from invoice date or shipment date to return merchandise. All items must be unused and undamaged. You may receive a refund, replacement or online store credit. If we shipped you an item that was wrong or damaged, we will gladly issue a refund for your prepaid return shipping charge. Otherwise, all returns must be returned pre-paid.
